

## **Pupil Premium Statement Langley First School** **2022-23**

### **Background**

Evidence shows that children from disadvantaged backgrounds generally face extra challenges in reaching their potential at school and often do not perform as well as their peers. Therefore, publicly funded schools in England receive additional funding (pupil premium) from the government to help overcome barriers to learning and improve the progress and outcomes of disadvantaged pupils. Pupil premium strategy statement

### **Aims**

School leaders know their schools best and should therefore make decisions on how to spend pupil premium funding. At Langley we must secure the most effective use of pupil premium funding and securing the best possible outcomes for our disadvantaged pupils.

### **Eligibility and funding**

Pupil premium funding based on the number of pupils in school in January each year from the following groups:

- Free school meals;
- Looked-after and previously looked-after children;
- Service premium - whilst paid to schools with the pupil premium the service premium is not part of the pupil premium and eligibility relates to pupils with a parent serving in HM Forces or in receipt of a pension from the Ministry of Defence. This funding is to help with pastoral support. Pupils who attract the service premium do not form part of the school's disadvantaged population or data.

### **Non-eligible pupils**

Schools may spend their pupil premium funding on pupils who do not meet the eligibility criteria but need additional support. For example: are in contact with a social worker used to be in contact with a social worker are acting as a carer

## PPG allocation

The school adopts the following definitions PPG eligibility, in line with government expectations:

- **Ever 6 FSM:** pupils recorded in the October 2020 census who have had a recorded period of FSM eligibility since January 2015, as well as those first recorded as eligible at October 2020
- **NRPF:** pupils with no resource to public funds (NRPF) who are eligible for FSM under the temporary coronavirus (COVID-19) extension to FSM eligibility, even if not recorded on the school census as eligible for FSM
- **LAC and PLAC:** pupils recorded in the October 2020 census who are in the care of an English LA, or pupils recorded as having been looked after by an English or Welsh LA immediately prior to adoption, a special guardianship order or child arrangements order
- **Ever 6 service children:** pupils recorded in the October 2020 school census who have been eligible for the service child premium at any point since the January 2015 census, as well as those recorded as a service child for the first time in the October 2020 census

The PPG per-pupil rate for 2022 to 2023 is as follows:

Disadvantaged pupils	Pupil premium per pupil	Funding is paid to
Pupils in year groups reception to year 6 recorded as FSM Ever 6, plus NRPF pupils in these year groups who are eligible for FSM ( <i>NRPF – no recourse to public funds</i> )	£1,385	School
Pupils in years 7 to 11 recorded as FSM Ever 6, plus NRPF pupils in these year groups who are eligible for FSM	£985	School
Looked-after children (LAC)	£2,410	LA
Previously looked-after children (PLAC)	£2,410	School

Service children	Service premium per pupil	
Pupils in year groups reception to year 11 recorded as Ever 6 service child or in receipt of a child pension from the Ministry of Defence	£320	School

The school will receive its PPG funding from the LA.

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

## School overview

Detail	Data
School name	Langley First School and Nursery
Number of pupils in school	<b>326 N-Y4</b> <b>235 in Years 1-4</b> <b>46 in Reception</b> <b>45 in nursery</b>
Proportion (%) of pupil premium eligible pupils	11% PP 30 FSM 25 As of 1.12.22

<b>Total budget for this academic year</b> If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	55,740

# Part A: Pupil premium strategy plan

## Statement of intent

We believe in maximising the use of the pupil premium grant (PPG) by utilising a long-term strategy aligned to the SEF. This enables us to implement a blend of short, medium and long-term interventions, and align pupil premium use with wider school improvements and improving readiness to learn.

Overcoming barriers to learning is at the heart of our PPG use. We understand that needs and costs will differ depending on the barriers to learning being addressed. As such, we do not automatically allocate personal budgets per pupil in receipt of the PPG. Instead, we identify the barrier to be addressed and the interventions required, whether in small groups, large groups, the whole school or as individuals, and allocate a budget accordingly.

### Our priorities

Setting priorities is key to maximising the use of the PPG. Our priorities are as follows:

- We ensure that teaching and learning opportunities meet the needs of all the pupils - Ensuring an 'effective' teacher is in every class
- We will ensure that all teaching staff are involved in the analysis of data and identification of pupils, so that they are fully aware of strengths and weaknesses across the school.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

At Langley we aim

- To ensure there is no gap between PP and Non PP in RWM.
- Providing targeted academic support for pupils who are not making the expected progress
- Addressing non-academic barriers to attainment such as emotional, attendance and behaviour
- Ensuring that the PPG reaches the pupils who need it most
- PP Lead to monitor progress and provision of all PP children throughout the year.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	<p><b><u>Reading</u></b></p> <p>Assessments, observations, and discussions with pupils show that pupils have gaps in learning and development due to full school closures in 2019-2020 and 2020- 2021. Including periods of extended isolations in 2020- 2021 which continued into the school year 2021-22.</p> <p>Assessment overview from Summer 2021 and a national priority showed a specific need for a Reading Focus for PP pupils. National Data suggests disadvantaged pupils generally have greater difficulties with phonics than their peers</p>
2	<p><b><u>Emotional Health and Well Being</u></b></p> <p>Our informal assessments, observations and discussion with parents indicate that the global pandemic and ongoing disruption to education has impacted on the mental health and emotional well being of all children. Disadvantaged children have been particularly affected. We are seeing a marked number of referrals for support for children with emotional needs.</p>
3	<p><b><u>Attendance</u></b></p> <p>Our attendance data over the last 2 years indicates that attendance among disadvantaged pupils has been between 1.5% lower than for non-disadvantaged pupils. Persistent absences are 2 % higher amongst PP pupils. Persistently late pupils are 1% higher in disadvantaged pupils than non disadvantaged pupils.</p> <p>Attendance disruption continues due to rising numbers of covid cases within school children and their families.</p>
4	<p><b><u>Oral Language Skills</u></b></p> <p>Assessments, observations, and discussions with pupils indicate underdeveloped oral language and communication skills, vocabulary gaps and lack of school readiness among many disadvantaged pupils. This is evident from early years to Year 3.</p>
5	<p><b><u>Enrichment Activities</u></b></p> <p>Through observations and discussion with our parents including poverty proofing Audit September 21 Disadvantaged pupils are less able to afford to attend clubs / extra-curricular school activities.</p>
6	<p><b><u>Technology</u></b></p> <p>Through observations and parent feedback (poverty proofing audit) access to technology is limited for some disadvantaged pupils.</p>
7,	<p><b><u>Writing</u></b></p>

	Our assessments including KS1 Sats, data and analysis indicate that disadvantaged pupils within year 2 (2021-22 school year) are performing below their peers in writing.
--	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
1. Improved reading attainment among disadvantaged pupils. Pupils attain as well as non-PP peers in Year 1 Phonics screening.	Reading outcomes in 2024/25 show that there is no gap between disadvantaged and non disadvantaged pupils meeting the expected standard. Phonics Screening results 2024/25 show that PP pupils attain as well as their peers in school and at national average.
2. To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils.	Sustained high levels of wellbeing from 2024/25 demonstrated by: <ul style="list-style-type: none"> <li>● qualitative data from student voice, student and parent surveys and teacher observations</li> <li>● a significant increase in participation in enrichment activities, particularly among disadvantaged pupils.</li> <li>● a significant reduction in referrals for SEMH needs which impact learning.</li> </ul>
3. To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils.	Sustained high attendance from 2024/25 demonstrated by: <ul style="list-style-type: none"> <li>● For attendance of our PP pupils to be no lower than the attendance for non-PP pupils.</li> <li>● For attendance to be 'good' compared to national attendance (96%).</li> </ul> <p>To close the gap on persistent absences and persistent lateness between PP pupils and non PP pupils.</p>
4. Improved oral language skills and vocabulary among disadvantaged pupils.	Assessments and observations indicate significantly improved oral language among disadvantaged pupils. This is evident when triangulated with other sources of evidence, including

	engagement in lessons, book scrutiny and ongoing formative assessment.
5. To improve disadvantaged pupils access to extracurricular activities and enrichment opportunities,	All pupils are given the opportunity and financial support to access peripatetic music and at least one extra-curricular club. Y4 Children have the opportunity to attend school residential.
6. Disadvantaged pupils have equal access to technology at home	All disadvantaged pupils can access online support including anything provided for remote learning, Seesaw. Tablets can be shared or netbooks to families. Impact of this should be seen in reading attainment and maths scores.
7. Improved writing attainment among disadvantaged pupils.	Writing outcomes in 2024/25 show that there is no gap between disadvantaged and non disadvantaged pupils meeting the expected standard.

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £9,461

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Thrive training. SLT, One Thrive Practitioner and whole school training.</p> <p>CM and AP Plus Whole School Staff Training.</p> <p><b>£2,846</b></p> <p>12 sessions x £180 per session for cover</p> <p><b>£2,160</b></p> <p><b>Total - £5,006</b></p>	<p>SEMH</p> <p>Developing an emotionally healthy school.</p> <p><a href="https://www.thriveapproach.com/about-thrive/thrive-online">https://www.thriveapproach.com/about-thrive/thrive-online</a></p> <p><a href="#">Social and emotional learning   EEF</a></p>	<p>2, 3, 5.</p> <p>✓</p>
<p>Purchase of a <a href="#">DfE validated Systematic Synthetic Phonics programme</a> to secure stronger phonics teaching for all pupils.</p> <p><i>Little Wandles Letter and Sounds</i> -Additional phonics (Year 3 ) llttle Wandle resources and TA</p> <p>3 x hours per week @ £15 per hour = £45 per</p>	<p>EEF Toolkit tells us that the teaching of systematic phonics that is matched well to the pupil's current phonemic awareness has a high impact (+5 months) for low cost.</p> <p><a href="#">Phonics   Toolkit Strand   Education Endowment Foundation   EEF</a></p>	<p>1 and 4.</p> <p>✓</p>

<p>week</p> <p>£1,755</p>		
<p><i>Management Time and additional training for PP Lead to monitor progress and ensure adequate provision for disadvantaged children.</i></p> <p>Supply Cover (£180 per day number of days 4 x £720)</p>	<p>DFE Guidance states that management time is needed for teachers to carry out additional leadership roles within school.</p> <p><a href="#">How to manage change and reduce workload in your school</a></p>	<p>1-6</p> <p>✓</p>
<p>Designated LAC and PLAC Teacher training.</p> <p>£180 per day</p> <p>4 days per year</p> <p>£180 x 4 = £720</p> <p>Course Fee - £180</p> <p>Total £900</p>	<p>It is a DFE requirement that each school has a designated teacher for LAC and PLAC</p> <p><a href="#">The designated teacher for looked-after and previously looked-after children - GOV.UK</a></p>	<p>2</p> <p>This has been carried over into the following school year.</p>
<p>Staff Leadership Development</p> <p>(SEND/Inclusion targets)</p> <p>Supply cover for teachers to review targets and hold parent meetings.</p>	<p>DFE Guidance states that management time is needed for teachers to carry out additional leadership roles within school.</p> <p><a href="#">How to manage change and reduce workload in your school</a></p>	<p>1-7</p> <p>✓</p>

£180 x 6= £1,080		
------------------	--	--

## Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 14,710

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Boosting Reading Programme Training for 2 extra TA - Year 3</i> £230 x 2 = £460</p>	<p>Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, one-to-one:</p> <p><a href="https://www.educationendowmentfoundation.org.uk">One to one tuition   EEF (educationendowmentfoundation.org.uk)</a></p>	<p>1</p> <p>✓</p>
<p><i>PP TA to work 2 Days per week in Year 3 supporting vulnerable pupils.</i> £11,250</p>	<p>Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, one-to-one:</p> <p><a href="https://www.educationendowmentfoundation.org.uk">One to one tuition   EEF (educationendowmentfoundation.org.uk)</a></p>	<p>1, 2, 3</p> <p>✓</p>
<p><i>Intervention and support to address for early years school readiness</i></p> <p>Purchase of phonics programme little wandles to improve listening, narrative and vocabulary skills for disadvantaged pupils who have relatively low spoken language skills. Cost not from PP budget.</p> <p><i>Word Aware Groups With identified pupils. Whole School Training2021-22</i></p>	<p>Oral language interventions can have a positive impact on pupils' language skills. Approaches that focus on speaking, listening and a combination of the two show positive impacts on attainment:</p> <p><a href="https://www.educationendowmentfoundation.org.uk">Oral language interventions   EEF (educationendowmentfoundation.org.uk)</a></p>	<p>1, 2 and 4</p> <p>✓</p>

<p><i>Each Year Group Identifies Pupils to receive preteaching of vocabulary.</i></p> <p><i>Cost (not from PP Budget)</i></p>		
<p>Engaging with the National Tutoring Programme to provide a blend of tuition, mentoring and school-led tutoring for pupils whose education has been most impacted by the pandemic. A significant proportion of the pupils who receive tutoring will be disadvantaged, including those who are high attainers.</p> <p><b>£3000 (40%)</b></p>	<p>Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, both one-to-one:</p> <p><a href="https://www.educationendowmentfoundation.org.uk">One to one tuition   EEF (educationendowmentfoundation.org.uk)</a></p> <p>And in small groups:</p> <p><a href="https://www.educationendowmentfoundation.org.uk">Small group tuition   Toolkit Strand   Education Endowment Foundation   EEF</a></p>	<p>1,2,7</p> <p>✓</p>

## Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: 28440

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>School Nurse interventions</i></p> <p>@ £33 per hour - £99 per session x 6 = £594</p> <p>£594 x 6 = <b>£3,564</b></p>	<p>Social and emotional learning (SEL) interventions seek to improve pupils' decision-making skills, interaction with others and their self-management of emotions, rather than focusing directly on the academic or cognitive elements of learning.</p> <p><a href="https://www.educationendowmentfoundation.org.uk">Social and emotional learning   EEF</a></p>	<p>2</p> <p>✓</p>

<p><i>Learning Mentor Social and Emotional Groups and 1:1 Work.</i></p> <p><i>Working with families EHAs for attendance. To improve attendance of pupil premium children .</i></p> <p><b>£15,891</b></p>	<p>Social and emotional learning (SEL) interventions seek to improve pupils' decision-making skills, interaction with others and their self-management of emotions, rather than focusing directly on the academic or cognitive elements of learning.</p> <p><a href="#">Social and emotional learning   EEF</a></p> <p>Children with regular and high school attendance do well at school. There is less opportunity for missed learning opportunities or gaps in learning.</p>	<p>2 and 3</p> <p>✓</p>
<p><i>Y4 Residential Plus Funded or subsidised trips and visits for PP children</i></p> <p><b>£1488</b></p>	<p>Trips and Visits can enhance and enrich the curriculum providing 'sticky learning' opportunities and help to develop cultural capital. Learning is contextualised in concrete experiences and language rich environments</p> <p>Ofsted research (2019) places emphasis on improving cultural capital, particularly for disadvantaged pupils</p> <p>Enrichment activities offer children a context for learning and a stimulus to trigger their interests which can be achieved in pupil books and data</p>	<p>5</p> <p>✓</p>
<p><i>Music Tuition with peripatetic music teachers.</i></p> <p><i>Keyboards</i> <b>£2,268</b></p> <p><i>Violin</i> <b>£456</b></p> <p>Steel Pans 0 cost from PP budget</p> <p><b>Total 2,724</b></p>	<p>EEF describe the benefits to children in learning to play musical instruments provides a positive impact on other areas of the curriculum.</p> <p><a href="#">Arts participation   EEF</a></p>	<p>5</p> <p>✓</p>

<p>Extra-Curricular Activities to target PP children</p>	<p>Sports participation increased educational engagement and attainment</p> <p><a href="#">Physical activity   EEF</a></p>	<p>5</p> <p>✓</p>

<p>Drama, Creative writing, football, girls football, sewing.</p> <p><i>(Cost £0 as coming from PE budget)</i></p>	<p>outdoor adventure learning shows positive benefits on academic learning and self confidence</p> <p><a href="#">Outdoor adventure learning   EEF</a></p>	
<p>Purchase of mindful mats for work with children during behaviour and social and emotional intervention sessions.</p> <p><b>£795.00</b></p>	<p>Behaviour interventions seek to improve attainment by reducing challenging behaviour in school</p> <p><a href="#">Behaviour interventions   EEF</a></p>	<p>2 5</p> <p>✓</p>

**Total budgeted cost: £52,611**

**PP Budget 55,740** (3,129 remaining) Plus not spent £900 Allocated for PLAC Training.

**Total to carry over into the 2023-24 School Year £4,029**

## Part B: Review of outcomes in the previous academic year 2021-22

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

We have analysed the performance of our school's disadvantaged pupils during the 2021/22 academic year using key stage 1 and 2 performance data, phonics check results and our own internal assessments.

Schools are not required to publish their 2022 key stage 2 results as DfE is not publishing this data. This is because statutory assessments returned for the first time since 2019, without adaptations, after disruption caused by the pandemic. This is a transitional arrangement for one year only, and DfE plans to publish key stage 2 school performance data for 2023.

DfE has shared our school's 2022 performance data with us, to help us better understand the impact of the pandemic on our pupils and how this varies between different groups of pupils. COVID-19 had a significant impact on the education system and this disruption affected schools and pupils differently, and because of this, it is more difficult to interpret why the results are as they are using the data alone.

To help us gauge the performance of our disadvantaged pupils we compared our results to those for disadvantaged and non-disadvantaged pupils at a national and regional level (although these comparisons are to be considered with caution given the caveats stated above). We also looked at these comparisons using pre-pandemic scores for 2019, in order to assess how the performance of our disadvantaged pupils has changed during this period.

Our end of KS1 data shows that the gap between our disadvantaged children has grown since 2019. This is reflective of national figures and demonstrates the additional impact of COVID-19 on disadvantaged pupils. However our school's data is higher than local and national data. We will use our pupil premium budget to address these gaps.

The end of Year 1 Phonics data shows a very strong picture of our new phonics programme. All groups including disadvantaged children performed higher than local and national.

Our observations and assessments demonstrated that pupil behaviour improved last year, but challenges in relation to wellbeing and mental health remain significantly higher than before the pandemic. The impact on disadvantaged pupils has been particularly acute. A lot of our spending this current year is to address these areas.

Attendance among disadvantaged pupils was 3% lower than their peers in 2021/22. We recognise this gap is larger than pre covid when our attendance of disadvantaged pupils was in line with our whole school attendance, which is why raising the attendance of our disadvantaged pupils is a focus of our current plan

## Externally provided programmes

*Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England*

Programme	Provider

## Service pupil premium funding (optional)

*For schools that receive this funding, you may wish to provide the following information:*

Measure	Details
How did you spend your service pupil premium allocation last academic year?	Excellent communication between school and home throughout the year. Each Year has TA support for the emotional health and wellbeing of all pupils allowing where appropriate a particular emphasis on supporting children with parents who were deployed.

	<p>Certain staff transitioned to the next year group with service children to remove any additional anxiety and barriers to learning brought on by the transitions. PP Lead worked with class teachers to identify and address needs.</p>
<p>What was the impact of that spending on service pupil premium eligible pupils?</p>	<p>Children were supported throughout the year emotionally and academically. Progress was tracked and any additional needs identified and support was put in place. Assessments demonstrated progress in subject areas where extra support classes were provided</p>

## Further information (optional)

*Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.*
